NEWSLETTER MARCH 2022

By Wiebe van der Heide

Dear Family and Friends

First of all a warm thank you to all who are supporting the work of Jesus the Rock Missions through finances, prayers and all other forms of participation. Your support is so much appreciated and makes you co-workers of this work in God's kingdom. Thank You!!

*"May you be a messenger of the Most High, bringing His love and goodness to all you meet.
 May the Most High, your God and Father, write the story of the life you live. Amen"*

The blessing given to Lisa before moving out to study.

Personal Note from Wiebe and Simone

Our daughter Lisa finished her High School years at the end of last year. She was blessed with an outstanding set of results. After much consideration, it was decided that she would study at the Nelson Mandela University in Port Elizabeth (PE) where she had applied at the Faculty of Medicine. Our first priority was to find her accommodation in or around PE. After 2 trips (distance of 300 km) we ended up with a wonderful Christian family in Despatch who provides her with a room including meals with driving

distance to the Faculty of only 15 minutes. 7 February was her first day at the University. Late that afternoon we had to say our farewells, a difficult moment. The first days afterwards were not easy but once we knew that Lisa was doing well and getting settled in we were doing just fine again.

Lisa has been so much part of all our work in Mzamom'Hle. As a little girl she joined

Simone's girls group and would enjoy herself with the boys on the beach. She would perform at our Year-end parties and look forward to the weekends with the children on the farm.

Many thanks to our Heavenly Father who has given Simone and me such a wonderful child of Himself. We are looking forward to her holidays when she will be able to come home and be part of our daily lives and the work with the children of Mzamom'Hle.

The Latest

The year 2021 was once again closed with a wonderful party with all the children who had been coming to our programs throughout the year. The children themselves brought entertainment with song and dance, we had a meal of hamburgers and chips and after 4 hours of festivities each person went home with a present. It's always so humbling to be able to close each year with a festivity we all look forward to. Sadly Simone couldn't be present as she struggled with back problems at that time, she is doing fine again. After nearly 2 years of not having children sleep over at the Youth Centre we have returned to the regular weekends. The children have been very excited about this. During the last Sunday morning get-together, before going home, I sensed the privileged these children have, that they have been given and have accepted the opportunity to experience God's goodness with all that is happening during a weekend on the farm. Over the past weeks I have been challenging the children to look for God's miracles in their lives, no matter in what circumstances they find themselves. 2022 is for us a year of forgiveness and so throughout this year we will challenge ourselves to forgive all who harm or hurt us and at the same time look for God's miracles.

May you as reader receive this challenge too. Times are uncertain but in God alone there is peace of heart and mind. He has the whole world in His hands and will lead His world to its final destiny.

With much love and also on behalf of the board,
 Wiebe and Simone

The Board of JTRM

At the end of last year we welcomed Karina Dunnwind as a new board member. Her presence has been a blessing already and we wish Karina a beautiful time during her involvement as a board member with the work of JTRM.

"Jesus the Rock Missions Foundation" is working amongst residents of Mzamom'Hle since 1997. In 2006 it was registered as a Dutch NPO and since 2015 in South Africa with SARS as a PBO. The object of the Foundation is to share God's love with children and youth and their living environment while working in a holistic manner; giving attention to the physical, psychological, social and spiritual well-being. The community itself is stimulated to be added to this endeavor.
